

Hugh WOODIN

Professor of Philosophy and of Mathematics
Department of Philosophy
Department of Mathematics
Harvard University

Past appointments:

Professor of Mathematics, Caltech, 1983-1988
Professor of Mathematics, UC Berkeley, 1989-2003
Chair, Department of Mathematics, UC Berkeley, 2002-2003
Chair, Department of Mathematics, UC Berkeley, 2010-2011
Distinguished Professor, Department of Mathematics, UC Berkeley, 2003-2013

Education:

Ph.D., University of California at Berkeley, 1984

Research interests:

Set theory

Honors and awards:

Carol Karp Prize, Association for Symbolic Logic, 1989
Senior Humboldt Research Award, 1996
Elected Fellow, American Academy of Arts and Sciences, 2000
Honorary Professor, Academy of Mathematics and Systems Science (Chinese Academy of Sciences), 2010
Section lecture, International Congress of Mathematicians 1986 at Berkeley, USA
Section lecture, International Congress of Mathematicians 2002 Beijing, China
Plenary Lecture, International Congress of Mathematicians 2010 Hyderabad, India
