

Wolfgang HACKBUSCH

Director and Scientific Member, Max Planck Institute for Mathematics in the Sciences, Leipzig

Honorary Professor, Leipzig University

Professor, University of Kiel (on leave)

Education:

Ph.D., Cologne University, 1973

Habilitation, Cologne University, 1979

Research interests:

Numerical methods in partial differential equations and integral equations, efficient solution of large-scale and high-dimensional problems

Service:

Founding member of the Berlin-Brandenburg Academy of Sciences, 1993

Honors and awards:

Gottfried-Wilhelm-Leibniz Award of the DFG, 1994

Brouwer Medal, 1996

Member of Leopoldina, since 2006
